## ORDER PROCESS

Plan and measure your space to determine appropriate sections that fit seamlessly into your desired layout. If you require assistance with this process, feel free to reach out to our sales team for expert advice and guidance.

Once you have compiled a list of required sections and your chosen back style, proceed to choose your fabric and kickboard colour.

Contact our sales team for assistance, or place your order online. Our skilled craftsmen will then begin the manufacturing process, creating your seating to your exact specifications. Each piece will be carefully packaged and prepared for dispatch to ensure it reaches you in pristine condition

Your seating will be delivered to your doorstep fully assembled and ready for you to arrange in your desired layout. The units can serve as freestanding pieces or can be effortlessly fixed together. Alternatively, you also have the option to secure them to the floor for added stability.

Booth and Banquette seating is available in standard lengths. For those with unique requirements, bespoke lengths and sizes can be ordered. Feel free to reach out to our sales team for more detailed information and assistance.
